WHY CHECKOUT CHARLIE?

Checkout Charlie is the company behind a large number of consumer, saving and cashback portals. We combine reach, content and quality on our own portals such as Sparwelt.de, Gutscheine.de and shopmate as well as on voucher portals of large media brands such as n-tv in DE and 20minuten and NZZ in CH.

Displaying offers of thousands of online shops to diverse and matching customer groups, we serve as the ideal interface between consumers and merchants, placing your brand into a high quality content and performance environment.
