Our cashback portal shopmate has been embedded into the Checkout Charlie Universe since 2021.

Our target groups, your fans

shopmate makes collecting cashback easy and simple, even for inexperienced, new users. Our users include the following three target groups.

Harmonizer

This target group is truly about family. “Harmonizers” like to save up in order to make their loved ones happy with the saved budget. Complex processes quickly become a hurdle, which is why the ease of use and transparency are important for shopmate. “Harmonizers” will find a trustworthy solution and quickly become shopmate’s best friends.

Open-minded

Easily getting excited about little everyday luxury goods, discovering new products and occasionally treating themselves to something - these are our “Open-minded”. They’ll enjoy shopping and browsing, but avoid lengthy or complicated processes. shopmate is not only intuitive, it also offers inspiring campaigns and seasonal topics which we will turn into the perfect stage for your brand!

Disciplined

The finances always in view and constantly on the lookout for the best bargain, these are the “Disciplined”. This target group is well informed and researches extensively to find the best deals, so cashback is well-known to those users. With your attractive offers, the “Disciplined” will quickly become our biggest fans!
